HORSE SPOONSORSHIP

Without our very special horses there wouldn't be a program. The other day, I came across a quote I would like to share with you. It reads: THE HORSE - Oh horse you are a wondrous thing. No buttons to push, no engine that pings. You start yourself, no clutch to slip, No dead battery, no gears to strip. No license buying every year, with plates to screw on front and rear. No gas fumes polluting each day, taking the joys of nature away. No speed cops dashing into view, writing a ticket out to you. Your super-treads all seem OK, and hoof pick in hand, they should stay that way. Your spark plugs never miss and fuss, your motor never makes us cuss, your frame is good for many a mile, your body never outdates its style. Your needs are few, and happily met, we honor you; we're in your debt! You serve us well, as our riders you carry, making instructors/volunteers, - the whole team merry. **Yes Horse, you are a wondrous thing, Teacher-Therapist-Friend, your praises we sing!**

You can sponsor a horse for **\$2,000** a year. This gives you recognition on our web-site & newsletter & barn signage. Another idea is to talk to Clubs & Organizations you may belong to. They can have their picture taken with their horse!!!
